COURSE DESCRIPTION: French 2 strengthens students' comprehension of the spoken and written language. Students learn how to respond in real-life situations while expanding their vocabulary and improving their reading skills. They increase freedom of expression through oral and reading comprehension exercises based on their textbook as well as supplementary materials.
--

Grammar exercises focus on reflexive verbs, direct and indirect pronouns, subjunctive mood, and preterit, imperfect, conditional and past-perfect tenses. Students learn about the many French-speaking countries around the world. Supplements include songs, verses and video clips. Materials are presented in both English and French.

Course Objectives:

1. communicate in the target language
2. gain knowledge and understanding of other cultures
3. connect with other disciplines and acquire information
4. develop insight into the nature of language and culture
5. participate in multicultural activities

IMPLEMENTATION OF THE FIVE GOALS OF THE NATIONAL STANDARDS:

communication, culture, connections, comparisons and communities

- 1.1 Interpersonal: students engage in conversations, provide and obtain information, express feelings and emotions and exchange opinions
- 1.2 Interpretive: students understand and interpret written and spoken language and a variety of topics
- 1.3 Presentational: students present information, concepts and ideas to an audience of listeners or readers on a variety of topics
- 2.1 Practices: students demonstrate an understanding of the relationship between the practices and the perspectives of the culture studied
- 2.2 Products: students demonstrate an understanding of the relationship between the products and the perspectives of the culture studied
- 3.1 Across Disciplines: students reinforce and further their knowledge of other disciplines through the foreign language
- 3.2 Added Perspective: students acquire information and recognize the distinctive viewpoints that are only available through the foreign language and its culture
- 4.1 Language: students demonstrate understanding of the nature of language through comparisons of the language studied and their own
- 4.2 Culture: students demonstrate understanding of the concept of culture through comparisons of culture studied and their own
